Friday, March 16, 2018

Good day,

Due to recent inquiries from our customers, we have reviewed our policy and we would like to clarify how Pigs Unlimited will be handling the price increase on April 1, 2018.

We have decided that we will continue to honor all quotes issued between January and March 31, 2018 and we will continue to honor that commitment through Friday November 2, 2018. Quotes issued prior to 2018 will be valid through Friday July 1, 2018.

Simply provide a copy of your quotation or the corresponding quote number when placing your order and our sales team will be more than happy to convert your order at the quoted price given. Please note that Pigs Unlimited will not allow modifications, partials, additional units or verbal approvals during this time frame. Please do not hesitate to contact us if you have any additional questions.

Respectfully,

Pigs Unlimited International, Inc.
